1. NAME

The name of the organisation shall be: Friends of Dartmouth Community Orchard. This may be abbreviated in local usage to 'Friends of the Orchard' or 'Friends Group'.

[NOTE: The area known as the Dartmouth Community Orchard is situated in Dartmouth between College Way to the North and Ridge Hill/Mount Boone to the South. On its western edge it is bounded by the Fire & Ambulance Service Station. On its eastern edge there are private houses and gardens. The relevant Land Registry title number is DN338846. In local usage, the area is referred to simply as 'the Orchard'.]

2. AIMS

2.1 The aims of the Friends Group are:

- To conserve and enhance the Dartmouth Community Orchard as an open green space with unsupervised access for members of the public.
- To ensure that it is managed as an orchard, but in a way that is sympathetic with public use for quiet recreation and wildlife conservation.
- To act as a focal point for the involvement of the community in consultations concerning the Orchard with the owners, Dartmouth Town Council.
- To promote the use of the Orchard for educational purposes, particularly with young people.
- To use such funds as the Friends may be granted or raise to maintain and improve the facilities in the Orchard, over and above the costs incurred by Dartmouth Town Council in discharging its historic responsibilities for maintenance and health & safety.

2.2 These aims are underpinned by the following principles and beliefs about the Orchard:

- It is a registered Village Green available to all. It should be kept safe and litter free.
- Members of the public and their well-behaved pets are welcome in the Orchard.
- It offers a valuable opportunity to conserve West Country fruit tree species, especially apples.
- It is a valuable place for a range of wildlife, both in itself and as part of a network of green spaces in and around Dartmouth.

2.3 The term 'wildlife' is interpreted widely to include trees and plants, birds, mammals, amphibians and insects. Wildlife conservation involves not only safeguarding individual species or specimens, but in conserving the diversity which enables them to thrive.

3. AUTHORITY

Friends of Dartmouth Community Orchard have the authority to:

- Work in partnership with Dartmouth Town Council.
- Inform the Council about matters requiring its attention.
